Sir,

I am directed to acknowledge the receipt of your letter No. 2252-42-1885 dated 9th March 1927, forwarding a copy of Madras G.O. No. 298 Press, dated 1st March 1927, approving of the revised rules for the transit of Wynaad timber into Mysore and for its sale in the Mysore territory. I am to invite attention to the fact that the provision for extending reciprocal facilities for the sale of Mysore forest produce in British territory has been omitted. This provision existed in the old rules and His Highness' Government attach much importance to it as can be seen from the correspondence ending with your office letter No. 2083, dated 30th March 1906. If the omission of this provision in the rules now approved by the Madras Government has been merely due to a feeling that it was unnecessary for the purpose of these rules to specify that condition, ~~the~~ this Government will be obliged if the principle of reciprocity is accepted and this acceptance is placed

on record for future reference.
